We are proud to offer a complete line of horse & livestock panels and equipment to build and outfit your farm or ranch. We are an authorized dealer for Powder River and Powder Mountain. Powder River is the cattle line. Their signature green color is seen at hundreds of cattle ranches across the United States. Made of heavy duty steel then powder coated and painted their products last for many, many years. Powder River also offers gates, chutes, scales, cattle guards, troughs and complete handling systems.

Powder Mountain is the horse and small animal line produced by Powder River. Products range from panels and gates of all sizes and strength to stall accessories and feeders. High quality dog kennels are also offered. Standard color for the Powder Mountain products is a deep bronze color. In addition, we can also get products from Behlen, Silverado, Billy Goat Gruff, Ideal Metal Troughs, Rubbermaid Troughs and other manufacturers.

**Stall Mats:** We always have in stock Red Barn heavy duty stall mats. These are a 3/4 inch thick, 4 X 6 mat. Red Barn also offers mats for the wash rack and trailer.
